Be careful about that little cough. Get something right away; some good reliable remedy that will move the bowels. Kennedy's Laxative Cough Syrup acts gently yet promptly on the bowels and allays inflammation at the same time. It is pleasant to take and it is especially recommended for children, as it tastes nearly as good as good as maple tugar. Sold by Northport Drug Co.

OBITUARY.

James Manley May son of Wm. A. and Mrs. Mollie May was born in Pickens Co. Ala. Nov. 24 1902 and died at Tuscaloosa Ala. Mar. 11th 1908. After funeral services conducted by Rev G L Jenkins his frail body was laid to rest beside the grave of his little (sister) in the graveyard at Jennings chapel near Northport. He was dedicated to God in holy baptism while an infant, by Rev H P Rawles. Little Manley was a remarkable child in many respects. He was unusually bright, goodnatured and very affectionate and was loved by all who knew him. He loved the Sunday School and often spoke to his parents about the Bible. He was in delicate health for several months before his death. All that skilled physicians and loving hands could do was done for him, but the tender shepherd saw best to call him home.

Only the Christain's hope can sustain in the dark hour of sorrow and while we cannot understand the meaning of this brief life and early death, faith brings to our hearts the the pitying Savior's words "What I do thou knowest not now but thou shalt know here after." May the bereaved parents and the dear sisters and brothers who loved him so tenderly find comfort in the promise that "suffer the little children to come unto me and forbid them not."

You may see the loved one again, and he will doubtless be at the "beautiful gate", waiting and watching to welcome home the loved ones now on this side.
